

Digital Care

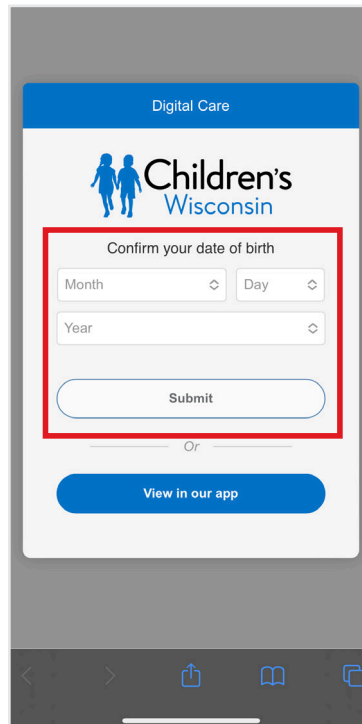

Digital Care lets your Children's care team send education for your child. The information would be sent via SMS text message and can be found in your child's MyChart account.

Start from a SMS (Text) Message or Email

1. Tap on the link from the received SMS message or email message.

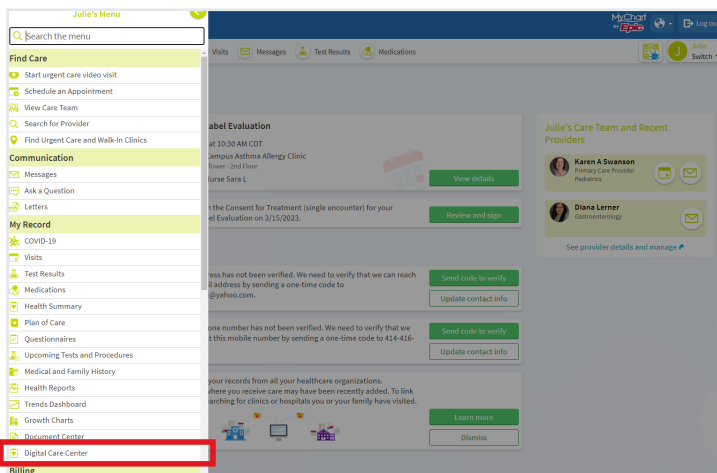

2. Enter your child's birth date and click submit.

3. View education sent for your child by clicking the titles or playing the videos.

Start from MyChart on your personal computer

1. Once logged into MyChart, mychart.childrenswi.org, choose your child's name.

2. Expand the menu, Under My Record tap on Digital Care Center.

3. View education sent for your child by clicking the titles or playing the videos.

Kids deserve the best.
