

# Stepping Stones to Home for NG Tube & Bridle

Start

What I need to know and do to get us ready to go home.

I know why my child is being sent home with an NG tube

I can tell you where to find the bridle website and online videos

I can tell you ways to keep my child comfortable

I can show you how to secure the NG tube.

- Tape
- Clothing Clip
- Headband

I can tell you how to care for the skin around the nose

I can show you how and when to flush the NG tube

I can tell you how to feed my child by mouth

I can show you how to feed my child through the tube

I can show you how to give medicine through the tube

I can tell you who to call if I have a concern

I can tell you what to do if the tube comes out or the bridle is not working

I can tell you what needs to happen to have the NG tube and bridle removed

I know that after 2 months my child may need a G Tube

I can tell you when my child will have their tube and bridle changed

We are ready to go home!
