

BE A SUPERHERO. IMMUNIZE.

YOU DON'T NEED SUPERPOWERS TO WIN THE
BATTLE AGAINST PREVENTABLE DISEASES.

ALL IT TAKES IS A VACCINATION.
VACCINES ARE SAFE AND PROTECT CHILDREN FROM
DISEASES THAT MAKE THEM VERY SICK. MAKE SURE
YOUR CHILD RECEIVES ALL OF THE SHOTS NEEDED TO
KEEP HIM OR HER SAFE.

Check with your child's doctor or call (800) CDC-INFO
for more information about immunizations.

NO SE NECESITAN SUPERPODERES
PARA VENCER LA LUCHA CONTRA LAS
ENFERMEDADES PREVENIBLES. LO ÚNICO QUE
SE REQUIERE ES UNA VACUNA. LAS VACUNAS SON SEGURAS Y
PROTEGEN A LOS NIÑOS DE AQUELLAS ENFERMEDADES QUE
PODRÍAN AFECTARLOS GRAVEMENTE. ASEGÚRESE QUE SU
HIJO RECIBA TODAS LAS VACUNAS NECESARIAS PARA PODER
AYUDAR A MANTENERLO SANO.

Para más información acerca de las vacunas, hable con el
médico de su hijo o llame al (800) CDC-INFO.
