

CONVERSATION STARTERS

Tips for Using the Conversation Starters

- Be comfortable with silence – allow time for the child/youth to think.
- Let the child/youth finish their thought; don't interrupt.
- Give "I don't know" answers more time (maybe the question was too broad, they need more time to think or they don't know).
- Listen – don't jump to problem-solving.
- Possible times to do these: meal time, in the car, before bed; make it a special and comfortable time together.
- Ask for more information; don't assume you know what they mean.

Follow-up Phrase Suggestions

- Can you tell me more?
- Why?
- What's that like for you?
- How do/did you feel when . . . ?
- What do you mean?
- That sounds really hard/frustrating, etc.
- How can I help?
- What do you think you/we can do?
- I'm trying to understand.
