Program started 2005, one fellow per year. Graduates all over the country, most now practicing pediatric surgery

#### Program Description:

- Eligibility: finished PGY3 surgical year
- One year fellowship. Opportunities for additional research year
- PSCC specific curriculum with additional didactics from MCW SCC, NICU, PICU, and APSA SCC committee. Spring MCKAP practice exam through SCCM. ATOM/ASSET trauma courses available
- Salary dependent on PGY level, can be found at [mcw.edu](http://mcw.edu)
- 3 Weeks vacation
- Conference/educational stipend – one conference covered, critical care textbooks provided
- Pediatric surgery fellow call pool - In house call roughly 6-7/month and every other weekend
- Busy trauma, including penetrating injuries. Growing ECMO
- Rotations at Children's Wisconsin and Froedtert Hospital
- Following graduation (and completion of General Surgery residency), board eligible in SCC by ABS
