Our hospitals

Children’s Wisconsin is one of the nation’s top pediatric facilities. We’ve served kids and families from all 50 states, as well as many countries around the world.

Our two hospitals are located in Milwaukee and the Fox Valley.

Research

The Children’s Wisconsin Research Institute represents the most powerful concentration of pediatric research in the region:

- More than 1,000 active clinical studies
- Nearly $30 million in external funding

Our Fox Valley Hospital, located in Neenah, has 42 beds, including a 22-bed Neonatal Intensive Care Unit.

Our Milwaukee Hospital offers:

- 298 BEDS
- LEVEL I* Children’s Surgery Center
- LEVEL I* Trauma Center
- LEVEL IV* Neonatal Intensive Care Unit
- 72-BED Pediatric Intensive Care Unit

*Highest level of care
Care closer to home

All kids should have access to high-quality care, no matter where they live. That’s why Children’s offers care in:

- More than 65 medical specialties in the Milwaukee Hospital and clinics across Wisconsin, with more than 755 specialty care providers
- 20+ primary care locations with more than 100 pediatricians
- 6 urgent care locations
- 4 dental clinic locations
- 44 mental and behavioral health care locations
- Mental and behavioral health services in 55 elementary through high schools across Wisconsin
- Over 20 community services locations across Wisconsin

Strengthening Wisconsin communities

Families, communities and schools affect the health and well-being of kids, so we partner with and support Wisconsin communities in many ways. Here are just a few:

Children’s is a partner of the Sojourner Family Peace Center, a 53-bed shelter that provides safety and support services to thousands of victims and families impacted by family violence.

Every year, Children’s invests more than $151 million in community programs and services with the long-term goal of keeping all children healthy, happy and safe. This includes providing more than $77.6 million in unreimbursed care.

- 103,435 course enrollments in health education e-learning
- 14,075 annual school nurse encounters
- 38,505 calls to the Wisconsin Poison Center annually
- 14,130 kids and families positively impacted by Children’s Wisconsin community services
- 1,670 families benefitting from our Community Health Navigators
- 500 parents and caregivers supported through the Triple P parenting program
