

Rating of Family Involvement at Case Closure
Internal evaluation – **Wisconsin**
2011

<u>Rating</u>	<u>Definition</u>
0	No progress in case, either due to OCM non-cooperation, parent barriers, etc.
1	Family Connections discovered, but no contact beyond initial meetings or engagement, (includes OCM failure to capitalize on found connections).
2	Non-physical connection with Relatives. Includes letters, email, facebook, telephone, presents on holidays, but no in-person visits
3	Physical connection with Relatives. Includes visits, holidays together, assisting in taking child to appointments, etc.
4	Placement with Relative. Found relative agrees to placement, child is placed in relative's home.
5	TOG or Adoption by Relative.
