

IMMUNIZE YOUR CHILDREN BY AGE 2

YOU DON'T NEED SUPERPOWERS TO WIN THE BATTLE AGAINST PREVENTABLE DISEASES.
ALL IT TAKES IS A VACCINATION.
VACCINES ARE SAFE AND PROTECT CHILDREN FROM DISEASES THAT MAKE THEM VERY SICK.
MAKE SURE YOUR CHILD RECEIVES ALL OF THE SHOTS NEEDED TO KEEP HIM OR HER SAFE.

Some shots are required before your child begins sch.

Some shots are required before your child begins school.

Check with your child's doctor or call (800) CDC-INFO
for more information about immunizations.
