

# Hearing loss resources and support

Resources for families of children 3 to 21 years old with hearing loss

## Wisconsin Educational Services Program for the Deaf and Hard of Hearing (WESP-DHH)

- <http://wesp-dhh.wi.gov/> Visit to learn more about these programs:
  - **Wisconsin Parent Guide Program**  
This program connects parents to other parents who can offer support and answer questions.
  - **Deaf Mentor Program**  
Provides custom sign language instruction to families
  - **Life After High School**  
Resources on colleges, how to prepare for job interviews, living alone and more.

## Success for Kids with Hearing Loss

- <https://successforkidswithhearingloss.com/>
  - Educational resources and children's books about hearing loss.
  - Student Support Groups that connect middle school and high school students with hearing loss. Many support groups sponsored by other organizations.

## Hear Wisconsin

- <https://hearwi.org/kellogg-child-family>  
Kellogg Child and Family Program helps children and families through:
  - Early intervention services
  - Support groups
  - Parent Resource Center
  - Adult programs for individuals with developmental delays or disabilities

## Hands and Voices

- <http://www.handsandvoices.org/>
- <https://handsandvoiceswi.org/> (Wisconsin Chapter)  
Resources for parents of children with hearing loss diagnosis

## Centers for Disease Control and Prevention

- <https://www.cdc.gov/ncbddd/hearingloss/>  
A website that provides information on hearing loss, treatment options, expected developmental milestones, including support resources for parents and families.

## Hearing Like Me

- <http://hearinglikeme.com/>
- News and lifestyle website for those affected by hearing loss.

## Wisconsin Lions Camp

- [https://www.lionspride.org/Lions\\_Camp.html](https://www.lionspride.org/Lions_Camp.html)  
Camp for children, 6-17 years of age, with hearing loss and other disabilities.
