

# PROJECT ADAM HERO AWARD

## DESCRIPTION

The Project ADAM Hero award was created to recognize a school staff member, coach, student or visitor that activates the school's cardiac emergency response plan by calling 911, starting CPR and getting the nearest AED.

## PROCESS

### Eligibility:

- A complete application submitted by the nominee or on behalf of the nominee.
- Nominees will have a demonstrated passion and dedication to preparing their school for a cardiac emergency.

### Award:

- A recognition award presented by Project ADAM representatives.
- Announcement via the Project ADAM Wisconsin Newsletter.

### Application Procedure:

1. Complete *Application*.
2. Complete *Letter of Support* (from individual other than nominee).

### Selection Criteria:

- Working towards Project ADAM Wisconsin Heart Safe School designation.
- The nominee demonstrates passion for creating community awareness about Sudden Cardiac Arrest and the importance of bystander CPR and AED training.
