

Children’s Wisconsin recently implemented a policy requiring COVID-19 vaccination for all employees, providers, and other individuals within our locations —this includes contract workers, vendors, students, and **job shadows**.

As a result, individuals observing on-site at a Children’s facility must be fully vaccinated for any job shadows/observations occurring after **Nov. 15, 2021**. Please note that for purposes of the COVID-19 policy, “fully vaccinated” means that the individual has received either the second dose of a two-dose vaccine or one dose of a single-dose vaccine.

Please review the health requirement addendum below. Children’s reserves the right to request additional certification and verification of compliance at any time.

If you need help finding a vaccination location, visit [vaccines.gov](https://www.vaccines.gov).

Addendum to the Job shadow/Observation Agreement Form

OBSERVER HEALTH REQUIREMENTS

5. Proof of COVID-19 vaccination and booster doses at recommended intervals by documentation of receiving 2 doses in a 2-dose series (such as Pfizer-BioNTech or Moderna) OR receiving a single-dose vaccine (such as Johnson & Johnson).

- Documented in the form of a WIR (Wisconsin Immunization Registry) print out or a copy of vaccination card.
